

TCM and Neuro Foot Reflexology Certification Course

in Asheville, NC

This **150 contact hour** *Sorensensistem*™ Traditional Chinese Medicine foot reflexology combines meridian theory and zone therapy, along with an understanding of the central nervous system into a highly effective healing modality.

Learn:

The history of reflexology
Differences between traditional zone therapy and *Sorensensistem*™ reflexology
Basics of physiology and anatomy
Meridians and their functions
Meridians and how they connect to certain muscle groups
7 basic steps to analyze the source of physical symptoms
Muscle mapping zones of the feet
How to analyze imbalances in the spine through neuro foot reflexology
Practical applications with individual attention from an experienced professional

*Upon completion of this course, students will be eligible to sit for the national (ARCB) certification exam. **NCBTMB and ARCB CE credits available.** No prerequisites!*

Module 1 (of 7 Modules) - March 23 - 25

Asheville, NC
